Sir,

In reply to your letter No 2034 dated the 5th ultimo, forwarding for remarks, a petition dated the 1st July 1918, addressed to the Dewan Sahib from one Mr. Lakshmiah on behalf of Mr Madiah of the Sri Chamundi Rice Mill at Lakshmipuram, I have the honor to enclose herein a note on the whole case, together with a tracing plan showing the Chamundi Rice Mill and the strip of land referred to

2 This strip of land (20' to 24' wide) lies on the further or north side of the compound of the Mill in which Mr Madiah is constructing a house about 20' from the compound wall (on the south side of it) at place noted in the plan

Mr Madiah's prayer is that the strip of land be added to his compound and that he would pay, besides the cost of the site, a sum of Rs 250/- for constructing a hostel elsewhere

3. There is already a Students' Hostel adjoining this compound wall built by Mr. Narasimhaiyya, Advocate, on land (hatched in red in plan) lying to west of the strip in question and he wishes to extend over this strip (coloured yellow), the Hostel building right up to the Pindargere road and to hand it

4. In these circumstances, a recommendation has been submitted to Government in this office letter No R 290 of 31st May 1918, to give the land free of cost for the construction of the Students' Home. The Health officer who is also a member of the Board of Trustees has not recorded any opinion regarding the unsuitability of the site for constructing a Hostel as stated in Mr Madiah's application

Reference - Revenue Secretary's letter No.2034/M.L 196-17 5 dated the 5th August 1918, forwarding for remarks petition dated the 1st July 1918, from Mr.M.Madiah of Sri Chamundi Rice Mill at Lakshmipuram to the address of the Dewan of Mysore regarding the disposal of the strip of land to the north of the mill premises:-

&&&&&&

The file of papers available on the subject shows that —

(1) Dr.S Ranganna, Assistant Surgeon, Mysore, applied for strip of land measuring 382 2/3 Sq.Yds on 10-8-1916, with view to erect a building for the use of students,

(2) Mr. Madiah of the Chamundi Rice Mill also put in an application for it on 11th September 1916, to the address of the President, City Municipal Council, Mysore, who forwarded it with his letter No.370 dated the 12th Septmber 1916 to the Trust Board for disposal.

(3) These applications were considered by the Board in their meeting, dated the 30th October 1916, and the disposal of the question was deferred.

(4) Messrs Ranganna and Madiah were thereafter, ie, on 14th November 1916, requested to state if they were prepared to build a Students' Home thereon for being given over, after completion to the authorities of the Mysore University or the Mysore City Municipal Council as a gift

Replies not having been received from them in time they were reminded on 24th November [redacted]

Advocate Mr.C Narasimhiah who had evinced a desire of doing some such public good was also addressed on the same date to furnish his views in the matter

(5) In reply, Dr.Ranganna intimated that he was not

not prepared to take up the undertaking Mr. Madiah in his letter dated the 25th November 1916, urged that the land should be added on to the Mill premises and not allowed to have a hostel built upon it and offered to pay Rs.250/- for the superstructure of the hostel to be built elsewhere.

(6) The question of the disposal of this vacant strip of land was again brought up for the consideration of the Trust Board in their meeting dated the 27th November 1916, and it was resolved that the land be given free of cost to one that agrees to build a students' Home and hand it over to the University or to any of the High Schools in the City for maintenance (a copy of this resolution is enclosed for easy reference)

(7) Mr. Madiah again applied on the 7th March 1917, for the said land and he was informed in this office endorsement No K 133 dated the 21st March 1917, that a Students' Home was intended to be built upon the land, and that his request could not be complied with. He again sent in applications for the land, in question.

(8) On 22nd April 1918, Mr C Narasimhiah put in his application for the grant of the land and he was requested in this office letter No.R.266 dated the 8th May 1918, to intimate if he was agreeable to the terms setforth in this office letter dated the 24th November 1916, ~~referred to in para 5~~ Viz, to build a Students' Hostel and to hand it over to the University or to the Municipality. Mr. Narasimhiah replied in his letter dated the 18th May 1918, that he was willing to make over the building to the University or the Municipal authorities on condition that a specific No. of rooms should be set apart for the use of the Hoisal Karnataka Brahmins

On receipt of this letter, a recommendation has been made to Government in this office letter No R 290 dated the 31st May 1918, for the free grant of the land to Mr Narasimhiah, as resolved upon in the meeting of the Trust Board dated the 27th November 1916.

३७

I inspected the land in question and did not consider that there was any objection to the proposal already approved, more particularly as a Hostel exists on the continuation of the strip to west hugging onto the same compound wall.

(9) After this recommendation to Government was made, Mr. Modiah sent another application on 29th June 1918, for the land being given to him. In reply Mr.Modiah was informed of the above recommendation in this office letter No.S.F.493 dated the 6th July 1918.

(10) Mr. Modiah has now sent a further petition to the Dewan Sahib referring to his previous applications and requesting that the strip of land referred to may be added to his mill premises or that it should be kept open until it is inspected by the Dewan Sahib.
